

Chowdhury Nafis Faiyaz

JUNIOR SOFTWARE ENGINEER

Profile

I am a passionate and enthusiastic computer science and engineering undergrad student with an interest in web development. I like to focus my creativity to front-end web development. Along with the skills of HTML, CSS, JavaScript, Bootstrap, I have also worked with tailwind CSS and react based front end web apps as personal projects.

Front-end web development with high end vision, forward thinking, innovative use of technology, quick learning ability, outstanding interpersonal skills with the ability to work independently as well as in a team environment are some of my notable skill set.
